

Are you interested in applying for a NOAA Grant?

Come to a free Grant Writing Workshop to learn how! See the information below for content, dates, locations, and registration. All workshops will be held over two days from 9am - 5 pm and include a variety of presentations, applied exercises, and one-on-one mentoring. Please bring a computer (if possible).

Participants are strongly encouraged to come with a project in mind to use during exercises that can further be developed into a project proposal.

Overview Agenda

Day One*

9am - 3pm

- Online Accounts, Identifying NOAA Funding Opportunities
- Finding Key Information in the Notice of Funding Opportunity
- Developing a Good Proposal Narrative: Problem Statement, Goal, Objectives
- Common Mistakes and Reviewer Tips

3 - 5pm - Individual Work and One on One mentoring

Day Two*

9am - 3pm

- Developing a Good Proposal Narrative: Activities, Indicators, Methods
- Developing a Good Budget and Required Forms
- Submitting Your Proposal Online
